

## Logging In to Elearning

If you are not already logged into the API website

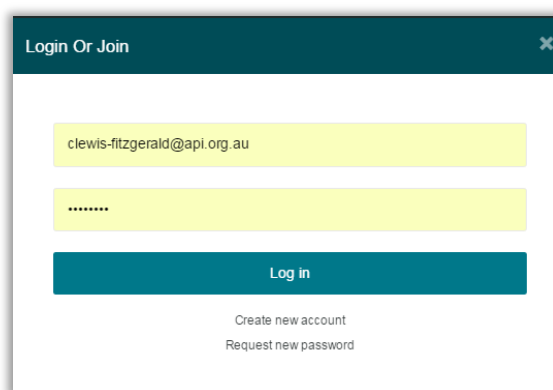

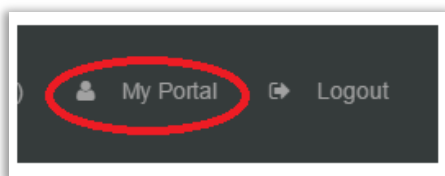

Go to: <https://www.api.org.au/>

At the top of the page **Click on Login**

You will then be asked to log in - please use the email you have registered with API.

Click on the **My Portal** link

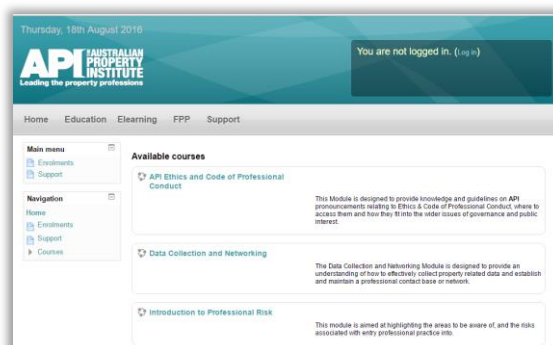

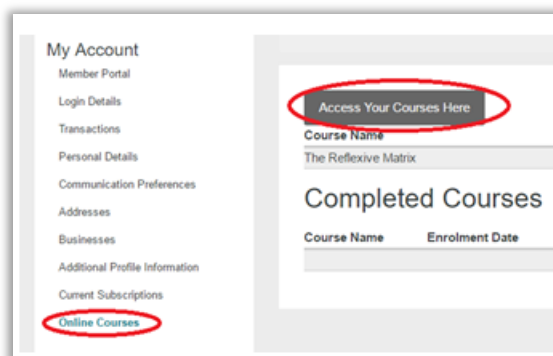

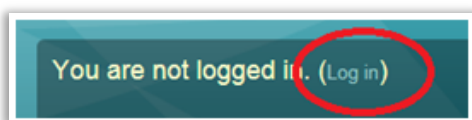

Under the menu title **My Account** you will see an option for **Online Courses**.

When you click on this, it will bring up your course names

Click on **Access You Courses Here** it will take you into you elearning webpage.

Click on **Log in**

If there are any problems please contact [education@api.org.au](mailto:education@api.org.au)
